étant dûment assermenté sur les Saints Evangiles, dépose et dit:

On June 24th 1946 while in the company of several other people, I saw the wreckage of a Liberator aircraft which I identified as an R.C.A.F. aircraft, No 3701. This aircraft had been reported missing in October 1943 and had not since been located. I saw near the aircraft the remains of two or more bodies. From my examination of the wreckage and the ground I am of the opinion that all members of the crew were killed in the crash.

H. Cobb.
